DINAMIK ENGINEERING

Dinamik Engineering was founded in 2003 as an EPCM firm located in Adana, Turkey. Since our inception we have focused on Engineering, Procurement, Construction, and Management services.

Our particular strength lies in engineering, design/build and technical applications for projects in Europe and Asia. Our past performance is listed on the following pages.

Our successful contracting efforts include: full turn-key projects for low, medium and high voltage electrical projects including power generation and distribution; construction efforts include design/build turn-key efforts including business centers, shopping centers, residential complexes, dining facilities, holiday resorts, and medical facilities.

We have achieved our success on five core beliefs:

1. **SAFETY** above all else, "Safety comes first" is not merely a slogan here. Every employee or contractor has the authority and obligation to issue a "STOP WORK ORDER" if he or she observes an unsafe act or practice.
2. **INTEGRITY** "Without honor you have nothing." In this day and age of the quick buck, we pass on opportunities that would lead to compromise ethical values.
3. **CUSTOMER FOCUS** all our profits come through providing client-centric solutions. If we consider the customer's financial success our profits will follow.
4. **RELIABILITY** all our services are guaranteed to meet or exceed the designed tolerances in the intended application.
5. **ON-TIME DELIVERY** we adhere to the project schedule.

We believe the future of our industry and our planet lies in the actions we take today. Our senior engineers mentor our younger staff while our younger staff energizes and shares its new visions for the future of our industry and our environment.

DINAMIK's founders, shareholders, managers, architects, engineers, buyers, contracting administrators, and other staff members have years of hands-on experience in the field delivering on-site, client-centric solutions in difficult and hostile environments.

Our team applies optimal solutions in the shortest time frame possible. We strive to make a difference on every job site that we set foot on. Our team approach to Project Management includes conception, design, work flow & process improvements, scheduling, on-site construction, quality control, and cost containment through multiple avenues for procurement efforts.

We take pride in being called upon as a reliable teaming partner by our clients, contractors, employees, investors, and the communities in which we live and work.

We stand ready to take on your most demanding of projects 24/7.

CORPORATE

DINAMIK is registered to CCR (Central Construction Registration) and ORCA (Online Representations and Certifications Application) and has a NATO Security Clearance

DINAMIK has certificates of;

“Quality Management System – ISO 9001:2000”

“Environmental Management System – ISO 14001:2004”

“Occupational Health and Safety Standards – OHSAS 18001”

DINAMIK DUNS#: 565577959

DINAMIK NCAGE#: T7655

VISION & MISSION

Our **VISION** is to achieve the position of a market leader in EPCM services across Africa, Asia, & Europe.

Our **MISSION** is to deliver innovative solutions for EPCM products & services that are tailored to the client’s needs in difficult and isolated environments.

HEALTH, SAFETY & ENVIRONMENT

A mutual responsibility is shared among our employees, contractors, customers, and the communities in which we operate to maintain a clean & healthy work site.

Our 1st GOAL is always to prevent work site injuries. We perform our work in the safest manner possible.

We are committed to conduct business in an environmentally friendly manner and to establish programs and practices that meet customer & statutory requirements. We keep ourselves informed of current environmental regulations and encourage a commitment to environmental protection by the client and all members of the project team.

SERVICES

1. Engineering
2. Construction
3. On-Site Management
4. Contract
5. Solid & Liquid Waste
6. Labor, Staffing & Training
7. Maintenance, Repair & Operations

Engineering Services

- *Mechanical*
- *Structural*
- *Electrical*
- *Civil*

Construction Services

- *Civil*
 1. Fresh Water & Waste Water Systems
 2. Solid Waste & Recycling Facilities
 3. Concrete Runways & Aprons
 4. Asphalt Highways
 5. Gravel Roads
 6. Canals
- *Electrical*
 1. Power Generation, Transmission, & Distribution
 2. Communication Towers & Centers
 3. Fiber Optic Networks
 4. Fire Alarm Systems
 5. Oil Pipelines
 6. CCTV
- *Mechanical*
 1. Free-Standing Metal Structures
 2. Fuel Storage & Distribution
 3. Fire Suppression Systems
 4. Concrete Batch Plants
 5. Cement Distribution
 6. HVAC
- *Structural*
 1. Oil Pipeline Explosion & Fire Control
 2. Solid Waste & Recycling Facilities
 3. Free-Standing Metal Structures
 4. Dining Facilities
 5. Warehouses
 6. Hangers

On Site Management Services

- *Coordination of Technical Inspections*
- *Site Inspections & Reporting*
- *On-Site Quality Control*
- *Schedule Reviews & Progress Reporting*
- *Client & Project Team Site Meetings*
- *Maintenance & Project Supervision*
- *Construction Progress Reviews*
- *Equipment Maintenance Plans*

Safety Oriented Site Management that delivers on schedule, cost-effective and optimal quality client-centric solutions.

Contract Services

- *Contracting & Project Management*
- *Site Inspections & Reporting*
- *Maintenance & Repair Operations service contracts*
- *Project Supervision*

Solid & Liquid Waste Services

- *Industrial Waste Treatment*
- *Sewage Treatment Plants*
- *Hazardous Material*
- *Portable Toilets*
- *Incinerators*

Labor, Staffing & Training Services

- *Project & Program Managers*
- *Construction Managers*
- *Contract Administrators*
- *Site Managers & Supervisors*
- *Skilled & Unskilled Labor*
- *Engineers*
- *QC/QA*

Maintenance & Repair Operations

- *Power Generation & Distribution*
- *Heavy Equipment*
- *Earth Moving*
- *Auto & Truck*
- *Containers*
- *Forklifts*
- *HVAC*

COMMODITIES

DINAMIK is importing and exporting various types of high quality commodities since founded and is listed as the main vendor of US Army on electrical goods and supplies for the projects in Iraq and Afghanistan.

DINAMIK is listed as official purchaser of; ABB, Schneider Electric, EATON, Nexans, Southwire, OMNI Cable, Coleman Cable, Top Cable, Bimed, Thomas&Betts, Burndy, Lithonia, Exitronix, Wheatland, Arrowpipe, Panasonic, Allied, Neer, Oz-Gedney, Hubbell, Cooper, Crouse-Hinds, General Electric, Philips, Tungsram, Harger, 3M, Carlon, Cantex, Hailar, Leviton, Legrand, Brady, Textron, Greenlee, Flextec, ASCO, Socomec, Ideal, Buchanan

PAST PERFORMANCE (INTERNATIONAL)

Contract No :
Contract Name : Gas Station
Client : KBR / Piril Insaat Ltd Sti / Karel Elektrik
Amount : 35.500,00 USD
SOW : Design and Assembly of Electrical Installation
Location : Anaconda / IRAQ
Date : 2004

Contract No :
Contract Name : 475 LSA Units
Client : KBR / Kulak Insaat AS / Karel Elektrik
Amount : 815.500,00 USD
SOW : Design and Assembly of Electrical Installation for 475 LSA Units and 3 (Three) Power Plants
Location : Kirkuk / IRAQ
Date : 2004

Contract No :
Contract Name : 4 Recreational Buildings
Client : KBR / Piril Insaat Ltd Sti / Karel Elektrik
Amount : 365.750,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System and Sound System
Location : Tikrit C-1 / IRAQ
Date : 2004

Contract No : GU84-VC-SN00134
Contract Name : Gyms and Recreational Buildings
Client : KBR / Piril Insaat Ltd Sti / Karel Elektrik
Amount : 475.850,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System and Sound System
Location : Kirkuk, Baji, Baqubah / IRAQ
Date : 2005

Contract No :
Contract Name : 1301-1306 Buildings
Client : KBR / Karel Elektrik
Amount : 126.000,00 USD
SOW : Design and Assembly of Electrical Installation
Location : Tikrit C-1 / IRAQ
Date : 2005

Contract No : GU84-VC-SN00086
Contract Name : Fire Department Building
Client : KBR / Piril Insaat Ltd Sti / Karel Elektrik
Amount : 215.450,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System and Sound System. Assembly of Industrial Type Garage Doors
Location : Tikrit C-1 / IRAQ
Date : 2005

Contract No :
Contract Name : MRO of Electricity Systems and Generators
Client : KBR / Karel Elektrik
Amount : 522.000,00 USD
SOW : Maintenance and Repair Operations (Labor Service) for Electricity Systems and Generators for 6 (Six) Months
Location : Kirkuk, Baji, Baqubah, Tikrit / IRAQ
Date : 2005

Contract No : KICC-01-01-K5015
Contract Name : Communication Center
Client : Fluor Int / Piril Insaat Ltd Sti
Amount : 535.000,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Sound System, CCTV (Camera) System, HVAC Automation System, Fire Detection & Alarm System and Power Plant
Location : Anaconda / IRAQ
Date : 2006

Contract No : KICC-01-01-K5012
Contract Name : Communication Center Satellite Facilities Building
Client : Fluor Int / Piril Insaat Ltd Sti
Amount : 98.000,00 USD
SOW : Design and Assembly of Electrical Installation, CCTV (Camera) System, Fire Detection & Alarm System and Power Plant
Location : Anaconda / IRAQ
Date : 2006

Contract No : KICC-03-01-K5017
Contract Name : Ramos Building
Client : Fluor Int / Piril Insaat Ltd Sti
Amount : 1.236.471,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Sound System, CCTV (Camera) System, HVAC Automation System, Fire Detection & Alarm System and Power Plant
Location : Victory / IRAQ
Date : 2006

Contract No :
Contract Name : UPS Building
Client : CSC Int / Piril Insaat Ltd Sti
Amount : 75.400,00 USD
SOW : Design and Assembly of Electrical Installation
Location : Victory / IRAQ
Date : 2006

Contract No : GATE-KMW-SC-0112
Contract Name : AGIP KCO Kashagan Experimental Program
Client : AGIP / GATE Insaat AS
Amount : 805.408,26 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, HVAC Automation System, UPS System, Fire Detection & Alarm System, Telecommunication System, Panelboards, Cable Laying, Termination and Commissioning
Location : Atyrau / KAZAKHSTAN
Date : 2006

Contract No : H92237-07-C-0206
Contract Name : Communication Building
Client : US Army Corps / Ortasark Insaat Ltd Sti
Amount : 114.955,00 USD
SOW : Design and Assembly of Communication Units
Location : Alasad / IRAQ
Date : 2007

Contract No :
Contract Name : Contract Building
Client : Mentech Int / Ortasark Insaat Ltd Sti
Amount : 28.790,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System and Data System
Location : Anaconda / IRAQ
Date : 2007

Contract No : H92237-06-C-0652
Contract Name : JSAC Headquarters Facility
Client : CJSOTF Contracting Office / Piril Insaat Ltd Sti
Amount : 125.205,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Grounding and Main Feeder Cable
Location : Anaconda / IRAQ
Date : 2007

Contract No : H92237-06-C-0654
Contract Name : SCIF Building
Client : CJSOTF Contracting Office / Piril Insaat Ltd Sti
Amount : 45.000,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Grounding and Main Feeder Cable
Location : Anaconda / IRAQ
Date : 2007

Contract No :
Contract Name : Communication Tower
Client : Piril Insaat Ltd Sti
Amount : 35.615,00 USD
SOW : Design and Assembly of Electrical Installation, Grounding, Main Distribution Panel, Generator, Main Feeder Cable and Air Terminal System
Location : Tikrit C-1 / IRAQ
Date : 2007

Contract No : W91GF5-07-C-8007
Contract Name : Wing Operations Center, Building 4020
Client : US Air Force / Piril Insaat Ltd Sti
Amount : 135.642,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Fire Detection & Alarm System, Grounding and Panel Board
Location : Balad / IRAQ
Date : 2007

Contract No : H92237-07-C-0208
Contract Name : Observation Tower LSA Units
Client : US Army Corps / Ortasark Insaat Ltd Sti
Amount : 33.980,00 USD
SOW : Design and Assembly of Electrical Installation and Main Feeder Cable
Location : Anaconda / IRAQ
Date : 2007

Contract No : W912ER-04-D-0005
Contract Name : 11 KV Electricity Infrastructure Upgrade And Water Tanks Project
Client : KBR / Adalı Holding (SERKA)
Amount : 380.000,00 USD
SOW : Design and Assembly of 12 EA Transformer Substation, 1 EA 500MVA Main Switchgear Bldng. Installation of 36000MT 11 KV Underground Electrical Cable and 2 EA Water Pump Station
Location : Alasad / IRAQ
Date : 2008

Contract No : FA8771-04-D-0003-0146
Contract Name : IT Shelter
Client : Mutual Telecom / Piril Insaat Ltd Sti
Amount : 35.615,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Grounding, Main Distribution Panel, Automatic Transfer Switch Panel and Generator
Location : Victory / IRAQ
Date : 2008

Contract No : W91GF5-08-C-8050
Contract Name : 68 Life Containers (Stackable Wet CHU's)
Client : JCC-I/A / Piril Insaat Ltd Sti
Amount : 149.295,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Grounding, Main Distribution Panel and Generator
Location : Anaconda / IRAQ
Date : 2008

Contract No : JNCC-990-540
Contract Name :
Client : CSC Int / Piril Insaat Ltd Sti
Amount : 35.560,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System and Rack Cabinets
Location : Victory / IRAQ
Date : 2008

Contract No : W91GF5-08-C-8013
Contract Name : Shoppet Building
Client : US Air Force / Piril Insaat Ltd Sti
Amount : 87.255,84 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Telephone Lines, Roll-Up Doors and Main Distribution Panel
Location : Anaconda / IRAQ
Date : 2008

Contract No : R2008-R39
Contract Name : Basketball & Tennis Court
Client : US Army Corps / Piril Insaat Ltd Sti
Amount : 50.000,00 USD
SOW : Design and Assembly of Electrical Installation and Lighting System
Location : Baghdad / IRAQ
Date : 2008

Contract No : 145-RFP-2007-R97
Contract Name : CP Building
Client : IAP / Piril Insaat Ltd Sti
Amount : 95.000,00 USD
SOW : Design and Assembly of Electrical Installation, Lighting System, Data System, Fire Detection & Alarm System, Grounding and Main Distribution Panel
Location : Baghdad / IRAQ
Date : 2008

Contract No : IAP-SUB-LFS-07-08
Contract Name : Waste Water Pump Station
Client : IAP / Piril Insaat Ltd Sti
Amount : 43.923,00 USD
