4) ABOUT US

NSK Enterprise (PTY) Ltd which is backed by several years worth of experience provides the bridge that makes importing from and exporting to Southern Africa possible.

We consider our relationship with you a partnership. This means we are just as invested in your success as you are. And with each partnership endeavor we undertake, we bring a level of passion, determination and market experience that will make available your desired product(s)

Our Mission:

1. Provide quality products and services to help enhance our customer's business
2. Providing excellent service and support.
3. Offering wide selection of everyday consumable necessities.
4. Providing timely and efficient deliveries
5. Providing a trained and knowledgeable sales representative with average 10 years experience in industry to service all our customers
6. Offering full-service new store setup utilizing our product knowledge and experience

TCFS Investment consist of dynamic individuals working towards excellent trading in the fields of African crafts, Agriculture, Forestry, Chemicals, Home appliances, office supplies, textiles, leather and a lot more. We deliver the world of importing and exporting into your hands

There's much more to come!
