TOUCH ORGANIC TEA

“Graham Co. Ltd excels at combining organic tea resources (farming, factory and export) with premium packaging options to create effective and consumer-oriented organic tea products”

GRAHAM COMPANY LTD. CORPORATE PROFILE
ORGANIC GREEN TEA BLENDS

“As a certified organic Chinese green tea plantation operator, organic green tea manufacturer and international organic tea exporter, we have been carefully preparing tea blends for world-wide industry partners for almost a decade.

Our company would be pleased to work with you to create custom blends and unique packaging options in an effort to provide your purchasers, retailers and consumers the utmost quality organic tea for excellent cost prices.

Please find the enclosed information for consideration. We are open to working with you to create an effective tea program for your company.”

Edmund Li, CEO

HISTORY:

With several years of international trade experience, the Li family of Hong Kong, PRC established Graham Co. Ltd. organic teas with the end-consumer in mind. Graham Co. Ltd is an experienced farmer, manufacturer and producer of organic green, white and herbal tea blends in China. We supply our quality teas to retail customers in several countries and retail our national brand – Touch Organic™ in Europe, Canada, Asia and the USA. We also conduct private label tea business with reputable importers, mass market accounts, and health food and pharmacy retailers world-wide.

Graham Co. manufactures packaged organic tea products in our Shenzhen, PRC facility and also operates company-owned certified organic tea gardens in Zhejiang, PRC. We specialize in certified organic green teas and new FAIR TRADE organic teas for excellent retail prices. Our common goal in each nation is to connect consumers to quality organic tea for less money – *Touch Organic*.

OUR ORGANIC TEA FARMS... Shangyu Organic Tea Gardens:

“Quality Chinese tea blends from a strictly organic environment”

Established in 1992, our farmland is operated by tea experts with more than 30 years experience in harvesting a wide range of organic teas using traditional Chinese tea preparation methods.

Location:

Shangyu Graham Organic Tea Gardens is located North-eastern region of Zhejiang Province PRC. Between Hangzhou, Ningbo and Shanghai.

Size: 80 hectares (198 acres or 800,000 sqm)

Capacity: 300 Tons

Certified Organic: 1998 IMO

Operation:

Shangyu Graham farmland has been in operation for 16 years, producing certified organic teas since 1998.

Climate:

Shangyu is located in the north subtropical southern edge of Zhejiang province. It receives the East Asian monsoon climate with four distinct seasons. The region sees ample sunshine, a mild climate and plenty of precipitation.

Topography:

Highlands and mountain slopes of Zhejiang Province.

Harvest Frequency:

3 harvests - spring, summer and fall.

ORGANIC TEA REVOLUTION:

As per the company mantra or concept of “connecting consumers to quality organic for less money”, Graham Co. Ltd., and its national brands and private label partners have awarded the end-consumers with quality teas for excellent prices.

International bulk teas sales allow Graham Co. Ltd. to maintain affordable tea prices and allow for ample profit margins for industry partners WITHOUT sacrificing packaging or tea quality.

Fresh organic green tea is derived from our certified organic tea gardens and sent directly to our Shenzhen facilities. Our management and staff are consistently trained and educated on quality organic tea preparation and packaging methods.
